(If no claim description is inserted, reference is made to the claim description on Exhibit "A" hereto which is incorporated herein by reference.)

2. Between the first day of September, 1980 and the 31st day of August, 1981, the following described annual labor or improvements, consisting of not less than 70 man days of work done, was completed on or for the benefit of said claims:

(a) Approximately - - feet of developmental drill holes on said mining claims at approximately - - locations, including the related construction of access roads, preparation of drill sites, drilling operation, testing holes drilled and reclamation of the lands affected by the exploration work.

(b) Approximately 10 cubic feet of earth or rock were removed.

(c) (specify other.)

Geological Survey & Mapping
Sampling & Assays

3. The work was completed by and on behalf of Associated Energy Corporation, which owns or holds an interest in the above described mining claims.

4. The above described mining claims are contiguous and comprise a group of mining claims owned in common by Associated Energy Corporation, and said work was done on or for the benefit of each and all of said claims as a part of a general plan of development, which tends to develop each and all of said mining claims. The work was done on the following claims.

On all of the claims
